Staffing Announcement – Music Teacher

Kathleen Schell is the successful candidate in our search for a temporary teacher (0.8FTE) to fill in for Liz Olsen's Maternity Leave (Aug 2020 – April 2021). Kathleen completed her Bachelor of Music/Education in 2004 and was a teacher at Park Meadows School in 2005/2006 teaching Grade 2 and 3. After this, she worked at Dr. Probe School on the west side for 5 years teaching music and homeroom classes. Most recently, Kathleen has been working at our school since March 2020 and has demonstrated flexibility and adaptability as her role of Music Teacher & Learning Support Teacher was re-purposed many times throughout the initial stages of the COVID-19 pandemic. Kathleen has a passion for music education and promotes active learning and music appreciation. She believes that music is for everyone and is enthusiastic about putting students first in the classroom in order to support their individual needs and learning styles. We are excited to have Kathleen back at Park Meadows for the fall.

I'm so excited to be able to continue working with the Park Meadows family. I have loved getting to work alongside this amazing staff, and getting to know the students and families I've had the privilege of working with through this online learning time. I can't wait to meet and connect with all of you this fall!

Kathleen will be teaching music during the 2020-2021 until Liz Olsen returns to her position.
