Dear families of Park Meadows Elementary School,

We would like to welcome you all to what will be a great year at Park Meadows School. I am honoured to be the incoming Principal at Park Meadows and fortunate to have Ms. Sharon Willms-Laing as the Vice-Principal for the 2021-2022 school year. I am excited to join the exceptional staff at Park Meadows. For our returning families and our new families I want to assure you that the teachers and support staff of Park Meadows are focused on student success and believe that the diversity of our students are one of the main strengths of our school.

There will be more information sent out to you closer to the beginning of the school year regarding our staggered entry days, classroom placement for your child(ren), and any COVID information as needed.

I have included some contact information for the school, but please note that the school email and phone will not be monitored between July 2nd and August 18th.

We hope you all have a safe, healthy, and very happy summer. We look forward to seeing you all at the end of the summer at Park Meadows Elementary School!

Yours in Education,

Mrs. Teri Smith
