Wow... can you believe that it's November already? The days and weeks are rolling by!

It is so very important to think about where we Belong, and we want to remind families that we are so happy that you all Belong to Park Meadows School and we enjoy spending time with your children every day. This month we are looking for students to demonstrate Belonging and look forward to celebrating it at our next online assembly on Dec. 10th. We will also be celebrating Remembrance Day in November and want to take this opportunity to remember and honor those who fought for our freedom. We have poppies at the school should you wish to donate to the Royal Canadian Legion and wear a poppy in remembrance.

Thank you to School Council who recently gave fundraising money to support virtual field trips, performances, or scientists in schools. In addition, we just finished this year's school fundraiser and the school community raised over \$14 000, what an amazing community we work in and are supported by.

On behalf of our staff, we want to let you all know that we greatly appreciate everything you do to support us and make our job easier.

Teri Smith, Principal

## Student Safety

**Please do not park in the alley between the two signs.**

**This is very important for the safety of our students.**

It is also very important that we do not block or park in front of any garages/driveways that belong to the neighbors around our school.

Supervision is from 7:45 - 8:00, please do not send or drop off your child/ren before this time. Remind your child/ren not to climb the light posts in the school yard or ride their scooters/bikes through the staff parking lot but to remain on the sidewalk.

**As the weather gets colder, please make sure your child has the appropriate clothing (coat, gloves, toque, snowpants) to stay warm during outdoor recess.**
