Happy March Parents and Guardians,

What a great Month we are heading into. Spring is around the corner; the weather is warming up and students are excited to play in the sunshine. As you may have already been aware, the Alberta Government has lifted health measures in schools, with cohorting and masking being the most significant.

On March 1<sup>st</sup>, we announced to students that they no longer had to play in cohorted groups outside during recess. For many of our younger students, this was the first time they have been allowed to play with other students from different grades. For this transition, we increased outside supervision and took time to remind students about playground safety. In addition, staff and students are no longer required to wear masks at school, however we will continue to respect all family's decisions regarding mask-wearing.

As we move forward, staff will continue to plan and organize rich and meaningful learning opportunities for students. Some of these opportunities may involve field trips, collaboration and working with students from other classes. We continue to prioritize the well-being and safety of the students and we ask parents to continue using the [Alberta Daily Checklist](#)

Thank you for trusting and working alongside us throughout this process! We are excited to continue along this journey with you.

As always, reach out to us if you need.

-Sharon Willms-Laing

We invite all parents/Guardians to join us in person or online for our next **School Council meeting on Tuesday, March 15 at 6:30 pm**. Please use this link to join the meeting if you wish to join us online.

### Registration:

It is that time of year again when we start looking at the next school year. For students currently in Kindergarten through Grade 4, you should have received a re-registration link through parent's email. Please look over the information carefully to ensure it is all up to date, making changes as necessary. Please complete the re-registration and submit it before **March 11, 2022**. If you have questions, please do not hesitate to contact the office at (403)328-9965 for assistance.

### ***Kindergarten Registration:***

Kindergarten registration for the 2022/2023 school year has begun. Your child must be 5 years old on or before December 31, 2022 to be eligible to register. We require a copy of your child's birth certificate at the time of registration. Registration forms are available on our website now and can be brought to the school or emailed to meadows@lethsd.ab.ca This year our classes will be full days Mon/Wed or Tues/Thurs and each student will attend some Fridays each month.
