School Supplies

- Please purchase school supplies using the list provided.
- Please purchase a regular sized backpack. The cutie-kid ones are not large enough to hold all of your child's belongings.
- We recommend keeping a back-up set of clothing stored in their backpack: pants, underwear and socks stored in a ziploc, at the bottom of their bag or in a front pocket.
- We go outside everyday. Students will need proper outside gear: toque, mitts, jacket and outside shoes. Please check the weather.
