Feeling Sick?

If your child is sick, please do not send them to school. Staying home when sick is one of the best ways we can protect our school community.

A reminder that dogs are not permitted on school grounds in accordance with the City of Lethbridge bylaw with the exception of accredited Service Dogs accompanying an individual on school property. [CLICK HERE](#) to read the bylaw.

Thank you for your patience as we navigate the first few weeks of transportation. Taking the bus is new to most of us and there are bound to be a few challenges as we learn together. It is very important that your child knows what to do and where to go when they arrive at school and exit the bus. It is also very important that all students know what to do at the end of each school day. Students are responsible for getting themselves on and off the bus, lining up at their designated door for the beginning of the day, and making sure they are on time to catch the bus at the end of the day. Please do not call the office everyday to tell us whether your child will be taking the bus or not, this needs to be arranged and communicated with your child prior to coming to school. Please remind your child that if they ever need help or forget what to do, they should come to the office or find an adult supervisor.
