- Before 6: Is a program where parents/ teachers/ staff are encouraged to communicate with Teachers from 7 am – 6pm and not on weekends to give the teachers and families a healthy work/ home life balance.
- Phone policy – Lethbridge School division has advised that Personal smart devices are not permitted during school hours. If you would like to read more about it, you are encouraged to visit their website.
- Terry Fox – The kids all enjoyed the walk, there were a couple of police officers that volunteered their time to help assist crossing the busy roads. Lindsey said that she will get the total amount fundraised for our next meeting, the estimate was over \$300.
- Hot Lunch – Lisa – parent support on day of lunch – Jess asked if this could be added to the Friday news letter to ask for parent volunteers, Lisa can add the pm.scpres@lethsd.ab.ca to avoid Lisa being overwhelmed with volunteers. Jess will work with Lisa to coordinate 2 volunteers for hot lunch. This is a great opportunity to ask the new volunteers if they would like to join school council and explain what we are about. Ashley Crabb volunteered to help out on hot lunch days
- Brie McCrady Kindergarten – There are 2 full classes of 25 students. Right now they are currently learning about routines.
- Report card – Starting a report card pilot on an outcomes based report card instead of the current reporting that is being using. This report will be more detailed. During the pilot, there will be an opportunity for parents to give feedback on how the report card will look for next year. The teachers involved in the pilot are Ms. Straub, Mrs. Gilmer, Ms. van der Meer, Mr. Reid, and Mrs. Felker.
