# POPCORN FUNDRAISER

## KERNELS

March 7 - 21, 2025

**Park Meadows School Foundation** has teamed up with **Kernels Popcorn** to raise funds for field trips, school activities and special events!

Kernels popcorn is a delicious, gluten-free snack - perfect for school, sports, work, camping, picnics or just enjoying at home.

**Cost is \$3.00 per bag (see the order form for available flavors)**

We are encouraging each student to sell at least 10 bags! Ask friends and family to support you - **do not go door to door alone.**

*Bonus: Each bag comes with a coupon for Kernels stores. Buy a medium bag and get a second medium bag (of equal or lesser value) FREE!*

### **How to Order & Pay:**

- Use the order form on the back to track sales.
- Once you've collected payment, submit your totals of each flavor and payment through School Cash Online ([www.schoolcashonline.com](http://www.schoolcashonline.com))
- Do not send cash or return the order form to the school

Popcorn orders will be sent home with students - use your order form to sort and deliver the popcorn to your family and friends!

**Last Day to order is Friday, March 21, 2025**
