Alberta Education has announced adjustments for the distance requirements for students accessing school bus service. For the 2025/2026 school year, Kindergarten to Grade 6 students who live **1.6 kilometres** or more from their designated schools will be eligible for school bus service. This represents a change from the current eligibility requirements of one kilometre for Kindergarten to Grade 6. Due to the changes in distance eligibility, students in Kindergarten to Grade 6 who resided between **1-1.59 kilometers** and were transported to their designated school in the 2024/2025 school year will no longer be eligible for transportation in the 2025/2026 school year.

The sun is wonderful.
The weather is hot.
Some places have air conditioning.
Our school does not.

Please make sure you are sending water bottles to school with your child and they are dressed appropriately for the weather.
